2. Purpose: To reduce exposure to first time and inexperienced personnel driving privately owned vehicles (including motorcycles, mopeds, and rental vehicles) in the Republic of Korea (ROK).
3. All SOFA members of USFK, the civilian component (including technical representatives, invited contractors) and family members who drive privately owned vehicles in the ROK must possess a USFK Form 134EK. A temporary motorcycle driver's license, not to exceed 30 days from the date of issue, may be issued to individuals waiting to attend the course for the purpose of registration and driving to the course.
